RE: Application of Palmetto Wastewater Reclamation, Incorporated for an
Adjustment of Rates and Charges
(**Docket No. 2021-153-S**)

Dear Ms. Boyd,

On December 1, 2021, Applicant Palmetto Wastewater Reclamation, Inc. ("PWR" or the "Company"), filed a letter accompanied by a listing of Applicant's rate case expenses and a motion for confidential treatment of the supporting invoices. The letter and motion indicate the South Carolina Office of Regulatory Staff ("ORS") audited the rate case expenses.

The South Carolina Office of Regulatory Staff ("ORS") did perform an audit to verify the amount of rate case expenses allowed under the Partial Stipulation was incurred. The listing of rate case expenses filed with PWR's letter accurately reflects individual amounts ORS identified as nonallowable. Even after excluding these items, sufficient documentation was provided to allow ORS to verify the amount allowed under the Partial Stipulation was incurred.

Thank you for your consideration of this matter.

Sincerely,

Christopher M. Huber
